

اطايب التومور^s
ATAYEB ALTOMOR

Across the ages and throughout history, the palm tree has stood as a symbol of Arab civilization, an emblem of cultural authenticity, and a reflection of the generosity of its people. This status stems from its high nutritional value and its deep-rooted association with .hospitality and giving

At Atayeb Altomor, we take pride in being an active contributor to promoting the value of palm trees and dates, regarding them as a lasting heritage for future generations and an inseparable part of our identity and glorious history. We are also proud to have been, and to remain, a key partner for numerous institutions and companies, providing them with a wide range of products and .tailored options aligned with their visions and needs
